

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
Japan Cloud Industry Association  
AND  
Global Digital Delivery Alliance**

The purpose of this Memorandum of Understanding (MOU) is to enhance the mutually beneficial cooperative working relationship between the Japan Cloud Industry Association (ASPIC) of Japan and the Global Digital Delivery Alliance (GDDA) of the Republic of China (Taiwan), hereinafter jointly referred to as the "Parties" and respectively a "Party."

The Parties:

Desire to provide a cooperative framework between the two Parties in the field of sustainable development of cloud industries and to cooperate in mutual business matching among the member organizations of the two Parties;

Seek to work together to contribute to mutually beneficial cooperation between the Parties on the basis of non-governmental organizations; and

Have reached the following understanding:

**A. Third Parties**

The Parties may be involved not only with each other, but also with various third parties, either directly or indirectly in research and knowledge sharing in various areas. Nothing in this MOU will be construed as requiring the Parties to disclose to one another any confidential information that is proprietary to the Parties or a third party.

**B. Duration, Amendments, and Termination**

- a) The effective period of this MOU shall be one year, starting from the date of signature, and will be renewed automatically for further one-year periods if not terminated by either Party.
- b) This MOU may be amended by mutual written consent of the Parties.
- c) This MOU may be terminated by either Party, by providing three months advance notice in writing to the other Party. This will not affect projects in progress unless otherwise decided by the Parties.

**C. Interpretation of Terms**

In the event that doubt should arise in the interpretation of the provisions of this MOU or problems about matters not described therein, the Parties shall consult with one another and settle them amicably in the spirit of this MOU.

**D. Miscellaneous**

- a) Without prior written consent of the other Party, neither Party shall assign this MOU to any third party.
- b) This MOU does not transfer nor license any right of patent, copyright, trademark or other intellectual property rights from one Party to the other Party.
- c) This MOU sets forth the entire agreement between both Parties relating to the subject matter hereof and supersedes any and all prior oral or written commitments, agreements, and representations of the Parties.

IN WITNESS WHEREOF, the Parties have caused this MOU to be executed in duplicate by their duly authorized representatives on the dates indicated below.
